

Seamless Implementation for Hassle-Free Travel Management

Our Approach

At Acendas Travel, we bring over 40 years of award-winning service to small to medium-sized businesses, recognizing that their travel needs often require a customized approach. That's why we created **Acendas Go**, a hassle-free travel management implementation plan designed to deliver a clear, simple process and ongoing support to help your business thrive.

Seamless Implementation

With **Acendas Go**, launch your travel program in just 2–3 weeks with automated efficiency and expert-led setup. Our industry experts handle everything—from **platform setup to policy integration**—ensuring a seamless launch, so you can focus on what matters.

Exclusive Savings:

Access negotiated airline, hotel, and rental car fees that are lower than published.

Timely Updates:

Stay informed with industry updates tailored to your needs.

Integrated Tools:

Combine expense and travel management through easy-to-use online booking tools.

Key Benefits

Flexible Payment Options

- Choose between individual or company credit cards for seamless transactions.

Traveler Tracking

- Leverage Mission Control technology to monitor and ensure traveler safety.

Enhanced Savings

- Save even after booking with price assurance technology that finds and applies lower fares automatically.

Comprehensive Reporting

- Access valuable insights on unused tickets, meetings, savings, and more with our proprietary web-based reporting platform.

Self-Guided Training

- Access resources designed to support your team when and where they need it.
