

About Acendas Travel

Smart Travel Solutions. Personalized Partnership. Proven Savings.

At **Acendas Travel**, we don't just manage travel — **we solve the midmarket puzzle**. As the mid-market division of BCD Travel- one of the world's premier travel management companies- Acendas delivers the best of both worlds: the global reach and buying power of an industry leader, paired with the personalized, boutique-style service today's travelers expect.

Unmatched Savings

Tap into global airfare, hotel, and car rental discounts through BCD Travel's industry-leading buying power.

End-to-end Personalized Service

Benefit from responsive, personalized service from a designated team that knows your travelers by name.

Big Agency Resources. Boutique-Style Care. At Acendas, you don't have to choose between savings and service. You get both.

Scalable Expertise

Whether you're managing 100 trips or 10,000, our programs grow with you — not past you.

Flexible Technology

Get tools that fit your existing workflows, including online booking, expense integration, and real-time traveler tracking.

Data-Driven Results

Whether it's policy compliance or vendor management, we convert data into strategies that deliver real impact.

Let us show you how smarter travel management can look — and feel — different. **Contact us** to learn more: contact@acendas.com Visit us: www.acendas.com

About Acendas Travel

Acendas delivers the best of both worlds: the global reach and buying power of an industry leader, combined with the personalized, boutique-style service today's travelers expect. We deliver maximum value while keeping the traveler experience at the center.
